

**Walailak University Regulation  
On The Shortage Disciplines or Crucial Areas in Requirements  
for the University Strategy Propelling  
B.E. 2564**

.....

According to the enforcement of Walailak University Regulation on Provision of Study, Training, Educational Visit and Conducting Research B.E. 2564, a staff member who wish to pursue study provision shall hold at least an assistant professorship before the approval date EXCEPT in the case that such staff is pursuing the shortage disciplines or crucial areas in requirement for the university strategy propelling stipulated and announced by Personnel Management Committee.

By virtue of section 24 of Walailak University Act B.E. 2535, and Articles 6 and 14 of Walailak University Regulation on Provision of Study, Training, Educational Visit and Conducting Research B.E. 2564, by and with the consent and resolution of Personnel Management Committee Meeting No. 2/2021 dated 23 February 2021, the Walailak University hereby enacts this regulation as follows:

1. This regulation hereafter referred to as “Walailak University Regulation on the Shortage Disciplines or Crucial Areas in Requirements for the University Strategy Propelling B.E. 2564”.
2. This regulation shall come into force on and from the day following its announcement.
3. The president of Walailak University is in charge of executing this official regulation and shall have an authority in resolving any conflicts. The president’s discretion shall be final.
4. The provision of pursuing study in the shortage disciplines or crucial areas in requirement for the university strategy propelling provides the exemption for a staff member who wishes to pursue this provision in that it is unnecessary to hold an assistant professorship before the approval date. According to the Walailak University Regulation on the Shortage Disciplines or Crucial Areas in Requirements for the University Strategy Propelling B.E. 2564, the university here determines the following disciplines as shortage disciplines and crucial areas for university requirement:

- (1) Medicine
- (2) Pharmacy
- (3) Dentistry

- (4) Veterinary Sciences
- (5) Other disciplines specified by the president

Announced on 10 March 2021

( Professor Dr. Sombat Thamrongthanyawong )  
President of Walailak University
